GENERAL VESSEL INFORMATION:

Shortly after leaving Bremerhaven 2/5/2008 the Antiguan flagged general cargo **AMICA** grounded off the city's river dam. She had just completed repairs at the Bremerhavener Dock GmbH yard when she experienced a total blackout. The grounding occurred shortly before low tide and she refloated on the rising tide two hours later. She was assisted back to the yard by tugs for inspection. Report by R.
