GENERAL VESSEL INFORMATION:

According to Lloyd's of London Press. The Greek saltie ANANGEL FIDELITY (14,156 gr.t.) St.Petersburg for Cape Canaveral with aluminium slabs and newsprints rolls, had engine-room fire off St.Catherines Point, Isle of Wight, Jan.6. Her crew extenguished fire with carbon dioxide. This ship, known as a Friendship class completed several trips to Great Lakes ports in past seasons. According to my records, the last time she sailed the inland seas was in Nov. 1993 when she called at Cleveland, Detroit, Chicago and Thunder Bay.
