GENERAL VESSEL INFORMATION:

12/2014: **CMB claims it also acquired a pair of containerships in an effort to exploit what it described as “extremely low” prices for secondhand tonnage.** While the duo were not identified by name a spokesman tells TradeWinds that the **ships in question are the RDO HARMONY (built 2004) and RDO HONOUR (built 2006).** When **CMB seals the acquisition of tonnage from Belgian compatriot Delphis** in early 2015 the company, which trades on NYSE Euronext, will boast a fleet of 18 containerships.
