WALTER MÖLLER & CO., Hamburg Fixture Report July 2005

Sailing route 2007 on CMA CGM Scandi service
Hamburg - Gdynia - Felixstowe - Hamburg
www.containershipregister.nl - 17 February 2007

This weekend, German Peenewerft at Wolgast on the Baltic Sea handed over Cape Fulmar. The new 1,440 TEU ship is operated by Columbia Ship Management and will be employed in Baltic feeder services for CMA CGM. It continues the recent trend towards larger capacity ships in this trade and replaces the 868 TEU AURORA a typical type-168 feeder of Sietas design.
