GENERAL VESSEL INFORMATION:

Lauritzen Reefers A/S has sold two refrigerated ships to Uglund International Holding P.L.C. for U.S.\$35 million. The two 20,700-cubic meter/690,000-cubic foot ships are the BELGIAN REEFER (14,786-dwt, built in 1983) and the Brazilian Reefer (14,786-dwt, built in 1984). Both will be chartered back to Lauritzen for three to five years.

(Internet World Maritime News 14 Feb 1997)

Star Reefers Inc. has today entered into an agreement for the sale of the Belgian Reefer (691.000 cbft., 1983 built) and the Brazilian Reefer (691,000 cbft., 1984 built) for an aggregate amount of USD 13 million. The vessels will be taken back on time charter by Star Chartering Inc. for two years at market rates, and our dry docking schedules will be reduced accordingly. The vessels will be taken over by new owners in June this year.
