EX-NAMES:

A 1016 TEU container ship, named **VINASHIN NAVIGATOR**, was officially launched by the Ha Long Shipyard under the Viet Nam Shipbuilding Industry Corporation (VINASHIN). The **VINASHIN NAVIGATOR** is the second built by the Ha Long Shipyard at a total cost of nearly 20 million USD. This was part of a cooperation programme between between the governments of Viet Nam and Poland.

The ship is 149.5 m long, 22.3 m wide, capable of carrying 1,016 containers and operates at a speed of 18.1 nautical miles per hour. It has a capacity of 14,000 tonnes. It was designed by Poland's Szczecin ship-yard. The ship will be installed with equipment and transferred to the owner, the Bien Dong transport company, as scheduled.
