#### **GENERAL VESSEL INFORMATION:**

Portuguese-controlled double-sided Aframax '**BORNES**' about 89,000 dwt built 1990 Setubal was finally withdrawn from the market amidst a mood of strengthening sentiment for non single-hull vessels. ([www.galbraiths.co.uk/sandpmra2002.html](http://www.galbraiths.co.uk/sandpmra2002.html))

Portuguese interests marketed for sale the double-sided "**BORNES**" about 90,000 dwt built Portugal 1990 inspectable by arrangement where trading in the Caribs and ECMex to US Gulf market. Sellers' price ideas are in the region of \$18m and they are encouraging inspections with a view to proposals being close to this level.

Aframax tanker '**BORNES**' about 90,000 dwt double-sides 1990 built Setenave, berths today in Houston where the owners are inviting inspections and she is fixed subsequently for two weeks time-charter to Heidmar's new lightering operation in the US Gulf. ([www.galbraiths.co.uk/sandpmra2002.html](http://www.galbraiths.co.uk/sandpmra2002.html))

On behalf of our very close Portuguese principals we have again marketed for sale the double-sided Aframax '**BORNES**' about 90,000 dwt built Portugal 1990. The ship is conveniently inspectable in Lisnave drydock between the 8th and 12th April after which the owners are inviting outright offers within noon on 22nd April. ([www.galbraiths.co.uk](http://www.galbraiths.co.uk)- 28 Mar 2003)

Buyers for 90s built double sided tonnage are lining up to inspect the double-sided Aframax '**BORNES**' about 90,000 dwt built Portugal 1990. The ship is conveniently inspectable in Lisnave drydock from next Tuesday 8th until Saturday 12th April where undergoing intermediate drydock survey, after which the owners are inviting outright offers by noon on 22nd April ([www.galbraiths.co.uk](http://www.galbraiths.co.uk) - 4 Apr 2003)

Several interested parties are inspecting the double-sided Aframax '**BORNES**' about 90,000 dwt built Portugal 1990. The ship remains conveniently inspectable in Lisnave dry-dock until Tuesday or Wednesday where undergoing intermediate dry-dock survey. The owners are inviting all outright offers to be registered by noon on 22nd April. ([www.galbraiths.co.uk](http://www.galbraiths.co.uk) - 11 Apr 2003)

After some five interested parties inspected the double-sided Aframax '**BORNES**' about 90,000 dwt built Portugal 1990, while undergoing intermediate dry dock survey in Lisnave recently, several offers have been registered and the ship is under negotiation. ([www.galbraiths.co.uk/](http://www.galbraiths.co.uk/) - 25 Apr 2003)

The double-sided '**BORNES**' about 90,000 dwt built 1990 Portugal continues in slow negotiations with Buyers' so far not stepping up to face Sellers' price expectations ([www.galbraiths.co.uk](http://www.galbraiths.co.uk) - 9 May 2003)

**BORNES** Tank 88,950 1990 to Aegean for USD 15.9 mio
