www.worldshipsocietyrotterdam.nl/nieuwsbrief - 11 November 2006

Bermuda Container Line (BCL BH) provides an ocean freight service linking Bermuda with the world. It operates a weekly service between New Jersey and Bermuda with the vessel M.V. Oleander. Through an associated company, Somers Isles Shipping Ltd.

(SISL), it also operates a three time per month service between Florida and Bermuda with the vessel M.V. **SOMERS ISLES**

2006 - 2007 M/V "Somers Isles"

Fernandina Beach / Bermuda Service Schedule

Sails Fernandina-Beach - Arrives Bermuda - Sails Bermuda - Arrives Fernandina Beach

http://www.meyer.bm/ship_freight/m2sisl.htm

The service schedule operated by SISL provides two direct voyages every three weeks. The three weekly rotation commences with a sailing from Fernandina Beach on a Friday arriving in Bermuda the following Tuesday morning and departing Bermuda Wednesday morning. The next sailing from Fernandina Beach is the following Saturday; arriving in Bermuda the next Wednesday and remaining there until the Friday, at which time it heads back to Fernandina Beach to begin the cycle again. This service schedule provides 34 to 35 round trip voyages per year with a port-to-port transit time of three and a half days.
