EX-NAMES:

CSCL LE HAVRE	2006-	Ocean Container No.4 Ltd., Cyprus

GENERAL VESSEL INFORMATION:

2006: Danaos Corporation announced that it has taken delivery of the **CSCL LE HAVRE**, a 9,580 TEU new building containership that was built at Samsung Heavy Industries. This vessel was delivered ahead of its scheduled time of January 2007. The **CSCL LE HAVRE** has been chartered out to China Shipping for twelve years. Under its current fixed charter rate, it is expected to add in excess of USD 12 million in annual revenues over the next twelve years. (../danaos/press_releases.html)

Vessel is managed by Danaos Shipping Co., Greece and is operated by Allocean Maritime, London.
