GENERAL VESSEL INFORMATION:

The 9600 TEU **CSCL LONG BEACH**, which was built by Samsung Heavy Industries Co. Ltd. in Korea, was also delivered on July 5, 2007, approximately eight weeks ahead of its contractual delivery date. The CSCL Long Beach is chartered to China Shipping Container Lines (Asia) Co., Ltd. ("CSCL"), a subsidiary of China Shipping Container Lines Co., Ltd., for 12 years. This is the 14th vessel of 22 vessels to be chartered by Seaspan to CSCL.
