www.containershipregister.nl -

MOL has left the Europe-West Africa trade, which it entered in June 2002 with its own ships under the brand 'African Rainbow Express', before opting in October 2003 for slot buying on Delmas services. MOL used to buy slots on two Delmas loops, Hebdo I and Hebdo II. As a result, Delmas is to rename the MOL RAINBOW as **DELMAS KETA** (the MOL name was purely for marketing purposes - Delmas was the ship operator).
