Euro Container Line (ECL) has bought the 384-teu boxship "STEPHAN J" (built 1995), bringing its fleet to four.

<http://seanews.info/news> - 7 August 2006

Wilson has entered into an agreement with Arno Shipping Ltd. regarding the purchase of the container vessel MV DORIS. MV DORIS is built in 1997 and is a sister vessel of MV **ECL CHALLENGER** (1995) that Wilson acquired in 2006. The vessels have each a carrying capacity of 384 TEU.

MV DORIS will be integrated in Wilson's container operation; Euro Container Line ('ECL') and will expand carrying capacity in the business segment. Including MV DORIS, ECL will operate a fleet of 4 vessels in a feeder service between the Continent and ports in West- and Mid-Norway.
