Champion buys MR-tanker pair from Novoship

13 October 2010 20:34 GMT *UPDATED 13 October 2010 20:34 GMT*

By **Trond Lillestolen Oslo**

Bergen-based Champion Tankers is rebuilding its tanker fleet with more modern tonnage.

The company confirms it has bought another two 40,000-dwt medium-range (MR) tankers from Russian owner Novoship. The *Tikhvin* and *Troitsk* (both built 1996) are said to have been acquired for between $12m and $13m each. Brokers describe the price as firm given the downward pressure on the values of all tanker sizes.
