**GENERAL VESSEL INFORMATION:**

KMA Shipping, a newly formed private shipping company based in Myanmar, has launched a container service connecting Yangon to Chennai, with planned expansion to Mumbai, using the 562 teu **KMA 1** and KMA 2. KMA Shipping was reportedly set up last summer with the assistance of the Korea-based C& Group, which has since met difficulties and has closed its shipping services. The 29-year-old KMA 1 and KMA 2 were purchased by KMA in August 2008 and have since been lying idle at Yangon. These ships are better known under their former names **CHESHAM** and AMERSHAM. They used to be employed by Sea-Land Service and later by Maersk Sealand. (Alphaliner Weekly Newsletter - 16.03.2009)
