2011: Malaysia Marine and Heavy Engineering Holdings Berhad (MHB) has been awarded by MISC Berhad two contracts amounting to RM952 million for topsides fabrication, marine repair and conversion of two energy vessels. The first is an EPCC (Engineering, Procurement, Construction & Commissioning) contract for the repair, life extension and **conversion of MT ONOZO**, an Aframax tanker, **into a Floating Production, Storage and Offloading (FPSO) facility**. Upon completion, the facility **would be known as FPSO CENDOR** and be deployed offshore Terengganu in West Malaysia. The FPSO would be operated by Petrofac Malaysia. FPSO CENDOR is the 11th conversion for the Group
