Re: HUA DE

Hi

Nice photo. I photoed same vessel on 4 May 1994 when she arrived at Napier with fertiliser on a very dull day. Then she flew the yellow/red standard Chinese funnel with star/waves emblem. She was built in 1977 for ANL Australia as Flinders Range and sold to the Chinese in 1988, being briefly renamed Hua Sheng and Hua Xiang before becoming Hua De in 1989.

Cheers

Brent
