GENERAL VESSEL INFORMATION:

2014: **Continental Investment Holding (CIH), a shipping company based in Yangon, Myanmar, has built up a significant fleet of second hand containerships**, with 13 vessels purchased in just over one year. CIH is believed to be controlled by the Myanmar Annawa Swan-er-shin Group, which operates the Myanmar Industrial Port Container Terminal, one of the container terminals in Yangon. **CIH started its acquisition spree in September 2013, targeting 1,000 -1,700 teu ships**. Most of these vessels are currently chartered out or waiting for an employment, but could ultimately be used by CIH or some associated companies for Myanmar-related services.
