GENERAL VESSEL INFORMATION:**2003:**

October 13, 2003

Lasco Enters Agreement with Clipper Group**2004:**

The 'PAC' vessels were part of the Lasco Shipping acquisition in December 2003 and the disposal of these ageing bulk carriers is in full compliance with the strategy to maintain a modern age profile of the fleet. The current market is a main driver behind the decision to sell now and secure attractive prices.
