**GENERAL VESSEL INFORMATION:**

mt Johanna is expected to be sold next week. Some parties have already offered and we understand that one more party from Latvia will be inspecting on Friday 30th May and a Polish buyer will again inspect on 2nd June.

As soon as all inspections have been passed and new offers have been collected and previous offers renewed, the bank will definitely sell the ship to the highest offer based on cash and "as is - where is" in Odense, Denmark.

We repeat for your easy reference her specifications as follows:

Type of vessel : Chemical/oil tanker - world wide trade permit

IMO No 7368293 Built/when/where/yard : 1974 - De Groot en van Vliet - Holland

Flag : St. Vincent & Grenadines Homeport : Kingstown

GT / NT : 1599 / 955 Loa : 90,60 m Beam : 13,50 m Airdraft : 25,60 m

She sailed on her own to Odense and is now laid up and need permission from the classification society to proceed to other destination.
