The Israeli shipping line ZIM in collaboration with China Shipping Container Lines (CSCL) has set up a new service between North-West Europe and West Africa, under the name of North Europe Africa service or NAF. For CSCL this is the first liner service (WAX1) operating from Europe. In addition to Antwerp there are calls in Felixstowe and Hamburg. The destinations in Africa are Dakar (Senegal), Tin Can container port (Lagos, Nigeria), Tema (Ghana) and Abidjan (Côte d'Ivoire). In the latter port CSCL offers a connection with the older service from Asia. The service is operated with three ships ranging from 900 to 1200 TEU: **JORK VALIANT** and BUXSAILOR for ZIM and HANSA LAUENBURG for CSCL.
