GENERAL VESSEL INFORMATION:

At the end of the year (1999), Lauritzen Kosan acquired the two fully-pressurised gas carriers, the 4,000 cubic-metre **KINNA KOSAN**, built in 1989, and the 6,500 cubic-metre KAISA KOSAN, built in 1992. Both vessels, which have been chartered back to the seller for a limited period, will be employed in Lauritzen Kosan's future operations in the Far East.
