GENERAL VESSEL INFORMATION:

ESCO Container Lines AS offers short sea transport possibilities on a pier-to-pier basis as well as on a door-to-door basis. We also offer LCL services between most of our ports.

With our own liner network, with 4 vessels, we connect Bremerhaven and Hamburg with Muuga, Estonia on a weekly basis.

Felixstowe, Rotterdam and Antwerp (twice weekly) are connected with Stockholm (weekly), Helsinki and Muuga (both twice weekly).

Internet - ESCO website

85mt. Estonian cargo M/V Kurkse -- in collision March 9 with -- 195mt. container M/V MSC Bulgaria in Hamburg. M/V Kurkse hit M/V MSC Bulgaria which was already berthed, while berthing manoeuvres. M/V MSC Bulgaria suffered a gash of 2mt. length in hull. Also the superstructure of M/V Kurkse damaged. No injuries. Both ships were not allowed to leave port. Investigations were started by the police using VHF traffic & radar pictures. (Mon March 12 2007)
