GENERAL VESSEL INFORMATION:

As a result of these business partnerships on project basis with RMK, ADMARIN developed several projects with RMK yard for the construction of chemical tankers on account of European owners. First achievement of this new project basis partnership was the delivery of M/T LIEKE THERESA 4,400 DWT to the ordering customer; Messrs: Unifleet in 1998. www.admarindcc.com

Five of Unifleet's small chemical-product carriers were sold to Danish Herning Shipping group for \$25.5m en bloc. The 1998 built, 5,529 dwt Emilia Theresa went for \$7m, the 1990 built, 2,440 dwt Elka Theresa for \$3m, the 1995 built, 2,542 dwt Iona Theresa for \$3.5m, the 1995 built, 3,403 dwt Anna Theresa for \$6m and the 2001 built, 4,454 dwt **LIEKE THERESA** for \$6m. Two of the ships were on time charter to Herning prior to the deal.
