GENERAL VESSEL INFORMATION:

OMI Corporation (NYSE:OMM) today announced that it had agreed to acquire two vessels which are currently on long term time charter, and in an unrelated transaction, to sell one vessel. The sale is of the 2000 built LOIRE, a Suezmax tanker with advanced design capabilities which make it especially attractive to shuttle operations. The vessel is expected to be delivered to the buyer in the third quarter of 2001 at which time a gain of approximately \$18 million from the sale will be recorded. Frontline Limited, the Company's partner in Alliance Chartering LLC, has agreed to sell a sister ship to the same buyer on the same terms. (Internet May 14, 2001.)
