**EX-NAMES:**

**GENERAL VESSEL INFORMATION:**

Rickmers Reederei has taken in charge the **TAURO RICKMERS**, third unit in a second batch of four neo-panamax VLCS of 13,092 teu ordered by Rickmers Reederei at Hyundai H.I. in August 2007. The vessel is part of an eight-ship order backed by a Maersk Line long-term charter. The first batch of four units was ordered in July 2007 and was allocated to Rickmers Maritime, the Singapore-listed company set up by Bertram Rickmers. However, RMT failed to raise funding for the vessels due to the financial crisis and all four ships were returned to Rickmers Reederei. They have all been delivered last year. The eight ships were/will be delivered according to the original schedule (i.e. no delays). The **TAURO RICKMERS** sailed from the yard as **MAERSK EVORA** and joined Maersk Line's Far East-Europe AE-2 service in its revised version.
