GENERAL VESSEL INFORMATION:

Greece's Angelicoussis Shipping Group rebranded its tanker. Company executives confirmed this week that Kristen Navigation, which was established in November 1992 has been renamed Maran Tankers Management. The Maran name has already been adopted for a pair of newbuildings just delivered by Hyundai Heavy Industries. The two suezmax tankers **MARAN PLATO** & MARAN PHAETHON are understood to be making their debut in the spot market, leaving another five 159,900 dwt tankers in the same series to be delivered to Maran.
