CMA CGM and Marfret will start in March the upgrade of their joint Europe-Guyana-Amazon service, with a new series of 1,691 teu ships specifically ordered for this trade at Hyundai H.I. in about June 2005. They will replace ships averaging 1,150 teu.

Brintermed has chartered what is believed its largest ever containership. It has taken the 1,162 teu MARFRET NORMANDIE as a sublet from Marfret for one or two rotations on its North Europe- Libya service, usually run with ships not exceeding 600 teu. The ship became redundant in the Marfret fleet as it has been recently replaced by a 1,691 teu newbuilding, the **MARFRET GUYANE**, on the CMA CGM-Marfret Europe-Guyana- Amazon service.
