GENERAL VESSEL INFORMATION:

Target Marine of Greece has sold the 534-teu **GEMARTRANS PIONEER** (built 1996) to US leasing company Industrial for \$12.1m. The price is said to be remarkable, as the vessel has had an awkward technical history, but it includes a two-and-a-half year charter lasting to May 2008 at \$10,750 per day with Vietnam's Vinalines and French partner Gemartrans.

Pago Pago-based Polynesian Shipping Line (PSL) and Auckland-based Pacific Forum Line (PFL) have concluded a vessel sharing agreement covering the trade between New Zealand and several South Pacific Islands (Fiji, Western Samoa, US Samoa and Tonga). The agreement allows to improve the frequency. Two loops connect Lyttelton, Napier and Auckland to Lautoka, Suva, Apia, Pago- Pago and Nuku'Alofa. Each carrier provides one ship : the 534 teu **MATUA II** (alias **MUIRFIELD**) for PSL and the 516 teu FORUM FIJI II (alias RATSTOR) for PFL.
