Greek dry bulk owner Atlantic Bulk Carriers has sold its last panamax bulker according to brokers.

Both Allied and Intermodal are reporting that Atlantic has sold the 2001-built geared panamax bulker [Ocean Eagle](#) to Vietnam's Hoanh Son Group for \$7.1m. The price is significantly higher than the market value of \$5.76m placed on the ship by VesselsValue.

The sale completes a clear out of panamaxers for Atlantic, who sold the 2001-built *Atlantic Eagle* to the same buyer for \$7.5m in August. It also sold the 2002-built *Desert Eagle* to Vietnam's Nhat Viet Transportation for \$8.3m in February.
