former GB tanker BASTIAAN BROERE built in 1968 now named the QUALITY SPIRIT, the chemical tanker was renamed in 1988 in QUALITY SPIRIT, in 1991 in GEORGE V in 1992 in FRANCIS and in 1996 again in QUALITY SPIRIT

The vessel "Quality Spirit" it's classified as Chemical/Oil product tanker, but I it's very possible that since 1994 she only are dedicated to the transport of wine.
