**GENERAL VESSEL INFORMATION:**

2009: **Grounded 15/9/2009 at the entrance to Ceuta** in position 35.55N, 05.20W, developed a list to starboard and sustained damage to the hull. Subsequently towed into Ceuta by Spanish authorities and berthed 22/8/2009 in the inner harbour. Inspections showed that she was in no condition to sail and it would seem that the crew are unpaid. She was on passage from Brunsbüttel with 3,200 tonnes of sodium sulphate. (Marine News 12/2009)

2010: **Abandoned unrepaired** by her owners and declared a total loss. **Sold to Turkish breakers** and towed to Aliaga where she was beached 10/12/2010. (Marine News 3/2011) **Sold for demolition in Turkey**. 290 \$ per ton.
