GENERAL VESSEL INFORMATION:

Safmarine has recently named its latest container ship the **SAFMARINE NILE**, the third in a series of five Safmarine sister ships built at the Hegemann Group-owned Volkswerft shipyard in Stralsund, Germany.

The 2,474-TEU **SAFMARINE NILE** is the fifth vessel to be named in as many months by the shipping company, which is currently mid-way through an extensive fleet expansion programme, the largest in the Safmarine's 62 year history, a statement said.

The new vessel will join the SAFMARINE NGAMI AND SAFMARINE NYASSA, named earlier this year, on the weekly South Africa/USA (AMEX) service which uses eight 2,300-TEU vessels.

The southbound port rotation for the AMEX service is: Newark, Baltimore, Norfolk, Charleston, Freeport, Cape Town, Port Elizabeth, Durban.
