Greece's Minerva Marine has made use of the hot dry bulk market to offload its oldest capesize vessels.

The Andreas Martinos-led diversified owner of more than 70 ships has sold the 15-year-old [Sapientza](#), the company's first listed bulker sale in nearly 10 years.

Brokers in Athens have seen the Jiangnan Shanghai Changxing Shipbuilding-built 177,736 dwt unit go to Chinese buyers for around \$22m.
