Class: CC Depth: 6.20 Engine Type:

Decks: 1

Hi Steffen,

in my opinion it could be right. I saw in 2002 at Shanghai several coastal tankers I guessed to be built in the 70ies. Later I found out that they were built in the late 80ies and 90ies.

I personally like the Chinese ships as they are often still looking like ships and not like big floating boxes.

Regards

Gerolf
