GENERAL VESSEL INFORMATION:

2012: Further to the **creation on 1 July of Blue Star Holding through the merger of E.R. Capital Holding and Komrowski Holding, some of the Komrowski-managed ships were not included in the deal.** This concerns primarily five ships controlled by third party interests, the BALKAN, TAIPAN, TONGAN, **TETUAN** and MANGAN, of 700 to 1,340 teu.

Their **management has been entrusted in July to Amazsa Hamburg GmbH**, a German company affiliated to Agencia Maritima Artiach Zuazaga (AMAZ), of Bilbao. (Source: Alphaliner 35/2012)

2013: **Sea Consortium purchased** recently the 707 teu gearless feeder vessel **TETUAN** from Amazsa Hamburg GmbH, a German company affiliated to Agencia Maritima Artiach Zuazaga (AMAZ), of Bilbao. The vessel has been **renamed X-PRESS MONTE BIANCO** and is to be employed on X-Press Feeders European network.
