GENERAL VESSEL INFORMATION:

2014:

Athens-based Pacific & Atlantic Corp., traditionally an owner of bulk carriers and cargo vessels, has shifted its focus on the purchase of small, gearless container tonnage over the past year. It has taken in charge this month four 704 teu containerships that it purchased in November 2013 from interests linked to German owner Vega Reederei, the VEGA DOLOMIT, VEGA SPINELL, VEGA ZIRCON and VEGA SONJA, respectively renamed CONTSHIP ACE, CONTSHIP CUP, CONTSHIP DAY and CONTSHIP BOX. They were built in 2007-2008 in China by the Zhejiang Yangfan Shipping Group.

2020:

Braemar reported that Greek owner Contships sold two 700 teu ships – Contship Day and Contship Box – to Hong Kong-based Star Feeders with no price disclosed.

(<https://splash247.com> - October 22, 2020)

CONTSHIP BOX (704 teu)	UAE-based container operator Star Feeders is believed to have purchased two 704 teu, Contships Management-controlled units, the CONTSHIP BOX and CONTSHIP DAY (Zhejiang 650) at an unreported price.
CONTSHIP DAY (704 teu)	The CONTSHIP BOX and CONTSHIP DAY were built in China by the Yangfan Shipping group in 2008 and 2007, originally as the VEGA SONJA and VEGA ZIRCON, for Germany's Vega Reederei. They are currently performing charters in Asia for Heung-A Line and APL-CNC. They feature a deadweight of 8,200 tons, a Loa of 132 m and a beam of 19.20 m. They are fitted with 118 reefer plugs and are of gearless configuration.
