In view of current EU moves, may well be the sale of the 1975-built, 155,702 dwt tanker **WHITE SEA**, for conversion to FPSO, at about US\$6.5m

Hong Kong Shipping News - Monday 12 June 2000

Two years ago Dynacom sold the **WHITE SEA** (built 1975), at a profit for offshore purposes . The deal was made just one month after the company had bought the ship from the Anders Wilhelmsen group for \$5.2m.
