## GENERAL VESSEL INFORMATION:

**1989: Ran aground** at Naragansett Bay (USA) **causing heavy oil spill**

POSEIDON 05/1989

Niarchos Group's Hellenic built, **WORLD PRODIGY** & WORLD PROPHET both built 1986 29,988dwt epoxy coated, achieved a respective target price of slightly higher than \$10.0m enbloc and are reportedly sold to Marinakis' Barclay Shipping. It seems that Barclay has the market strategy to pick up well maintained older tonnage from prime names like Latsis, Onassis, Niarchos and Andromeda.
