**GENERAL VESSEL INFORMATION:**

2009:

**AXS-ALPHALINER****A LA MARINE (1,440 teu) joins Team Lines**

Delphis NV has taken in charge the 1,440 teu A LA MARINE from the Peenewerft. Delphis has been behind the purchase of this ship from German owner Rudolf Schepers earlier this year. The vessel belongs to Peenewerft's improved '1400 Baltic' type, which shares some similarities with the eleven units of the Hegemann Group's well-known 1400 type, but is has been adapted for the special requirements of the Baltic Sea feeder trade : the new series comes equipped with a high ice class (1A / E3) and a fully enclosed bridge.

2014:

**CMB to acquire Delphis' containership fleet**

Compagnie Maritime Belge (CMB) is to acquire the containership fleet owned by Antwerp-based Delphis NV, comprising of 14 containerships ranging from 1,078 to 3,836 teu, totalling 37,000 teu. Seven ships are fully owned and seven partly owned through joint ventures. CMB will acquire both the owned vessels as well as the stakes owned by third parties in the joint venture fleet, with the deal valued at a total of \$2.2 M only, excluding debt. The transaction remains subject to the consent of the financing banks. CMB expects to be able to close the deal by early 2015.

**Delphis containership fleet to be acquired by CMB\***
