GENERAL VESSEL INFORMATION:

2005:

Euronav acquires Tanklog, the tanker division of Ceres Hellenic the holding company of the Peter G. Livanos family. The fleet comprised of 16 Suezmax vessels and two Aframaxes. At the same time Tanklog becomes Euronav's second largest shareholder. This alliance brings together the **Saverys and Livanos families**, both with deep roots in shipping that can be traced to the 1800s. Euronav Ship Management Hellas, the former ship management division of Tanklog, is integrated to manage the vessels acquired from Tanklog.
