GENERAL VESSEL INFORMATION:

On 15th July, Hull No. 465, known as **CORAL LEADER** was launched from the Slipway No. 2. The vessel is a 4,900 Car Truck Carrier of 12,300 DWT which Uljanik Brodogradilište d.d. is building for the Buyer Ray Car Carriers Ltd. This is the second vessel in a series of eight vessels contracted with the company Ray Shipping and the fourth launching this year in Uljanik out of totally six planned.

Contract for Hull No. 465 Coral Leader had been signed on 20th November, 2003 and the keel was laid on 23rd December, 2005. The vessel's length is 176 m, breadth 31.1 and depth 14.5/30 m and she is driven by Uljanik/M.A.N. B&W 8S50M-C main engine having an output of 12,640 kW at a speed of 20.8 knots. 176mt. Bahamas-flagged M/V **CORAL LEADER** (built 2006) -- in collision April 3 with --with SW corner of the harbor entrance of Bremerhaven. The hull of the ship was damaged on a length of 10 meters & partially breached and dented above the waterline. Framings were broken. The concrete of the pier was damaged. The ship had been caught by strong winds in spite of the assistance of 2 tugs. Ship was not allowed to leave port until repairs were affected & investigations by the police finished. Vessel left Bremerhaven via the Northern lock in the afternoon of Apr 6.
