## GENERAL VESSEL INFORMATION:

On August 1, 2008, StealthGas Inc. announced that it completed its previously announced purchase of the **GAS DEFIANCE**, a 2008 Japanese newly built 5,000 cbm Fully Pressurized LPG carrier, which has been deployed on a one year time charter to an international gas trader. September 11, 2008 (<http://business.highbeam.com>)  
Commencing from October 2009 the **GAS DEFIANCE** will extend her existing time charter to an Asian gas supplier for a further three months until January 2010 Sep 24, 2009 ([www.yourprojectnews.com](http://www.yourprojectnews.com))

Commencing from 11th January 2010 the **GAS DEFIANCE** extended her existing time charter for a further 12 months to a far eastern gas company.
