**GENERAL VESSEL INFORMATION:**

**Sustained main engine damage 10/12/2010 (n.b.)** in the Arabian Sea SW of Mumbai in position 12.50N, 65.08E following an unsuccessful pirate attack. The crew were evacuated by the US Destroyer STERETT and taken to Oman and she is reported to have drifted for some months before being taken in tow for Male by the tug ALLOUETTE. She would appear to have been laid up there for some time as 10/2012 was reported adrift with engine failure in position 02.41N, 67.58E whilst on passage from the Seychelles for Pakistan for demolition. Taken in tow, she was returned to Male 21/11. **She was reported as sailing as RIVANA 1.**
