GENERAL VESSEL INFORMATION:

HAVVIND (ex- DZINTARI) was built as part of six vessel series for Latvian Shipping Co. Vessel owner was Robin Transoceanic Co., Liberia.

Sold "en bloc" to Bergesen dy ASA, Norway in 1991. At least operated in the Skandigas-pool (A.P. Moller) the vessel anchored at Fujairah obviously waiting for the final voyage to breakers yard together with HAVLYS & HAVLUR (AK 04/2002)

Although reported sold to breakers by Bergesen with capital loss US \$ 1.9 mio further reports have seen the vessel trading as VIND for Abdoun S.A., Greece on the passage from Fujairah to Jebel Ali (as well as HAVLYS as HAV for the same company) (AK 05/2002)
