Vroon has decided to sell its 50% shareholding in Iver Ships Ltd to Broström AB of Sweden. Iver Ships has been acting as the commercial manager for Vroon's tanker vessels for the last 15 years. In connection with this transaction it has also been agreed that 4 vessels, Iver Exact and Iver Example (both 45,790 dwt, built 1999) and Iver Progress and Iver Prosperity (both 31,180 dwt, built 2001), currently managed by Vroon will be transferred to Broström at the end of 2005/early 2006.
