## GENERAL VESSEL INFORMATION:

Two vessels of a class of 24 type sisterships built in Russia by Navashino Shipyards between 1978-89 are detained at Genoa due to their owners deeply in debt and their crews forgotten. The **MAKSIM RYLSKIY** one of the earliest of the class has been detained at Ponte Eritrea with a crew of 19 onboard including 3 women. At Ponte Rubattino lies one of the last of the class the YURIY DVUZHILNIY having a crew of 16 men.

Report by G. Pesarini at Marine News

Re: **MAKSIM RYLSKIY**

they were departing from Genoa after 2 years, now result in service under the same name
