GENERAL VESSEL INFORMATION:**2007:**

US financial player Fortress Investment Group is mounting a major offensive in the shipping sphere by splashing out some \$640m on panamax-containership newbuildings and existing vessels.

Fortress, through its Singapore-based ship-purchasing affiliate Seacastle, is ordering four 4,000-teu vessels and buying another quartet of 5,000-teu ships from Mediterranean Shipping Co (MSC)

Fortress is also paying about \$90m each for four 2006-built 5,060-teu ships the *MSC Benedetta*, *MSC Debra*, *MSC Mara* and *MSC Olga*. The vessels are said to have four-year charters attached back to MSC.

Sold for \$90 mill. each to US/Singapore based buyer (Fortress).

(Weekly Market Report - August 10th, 2007)

Our technical team is responsible for the initial due diligence on our vessel purchases such as ship inspections, as well as the oversight of our third party ship managers who provide the daily operating services required under our time-charter parties. Currently, we have engaged two reputable third party ship managers, namely Bernhard Schulte Shipmanagement and Alfa Ship Managers Pte Ltd, as the technical and crew managers for our existing containership fleet.

2015:

This is the first time that Cyprus Sea Lines has bought boxships since July 2015 when it purchased two panamax containerships — the 5,060-teu SCT Santiago (renamed S Santiago, built 2006) and 5,060-teu SC Mara (built 2006) — en bloc for an estimated \$35.6m.

2021:

OM Maritime linked to S SANTIAGO (5,060 teu) purchase

The 5,060 teu S SANTIAGO (Hanjin 5000) controlled by Athens-based Cyprus Maritime Company Ltd has reportedly been sold to Singapore-based OM Maritime for USD 58 M.

This sale appears rather profitable for Cyprus Maritime who is reported to have bought the vessel back in 2015 for only USD 17.8 M.

Before delivering the ship to OM, Cyprus Maritime is taking advantage of the current booming charter market with the S SANTIAGO having recently clinched a highly lucrative charter of about 80 days at USD 120,000 per day with Chinese liner shipping company BAL Container Line.
