**GENERAL VESSEL INFORMATION:**

2005: **Wrist Group in Aalborg have purchased the Swedish tanker "TARNSUND"** from Tarntank for takeover at the beginning of October at Fredericia Shipyard. The "TARNSUND" will **change its name to "OTILIA"** and will transport bunker oil for the Wrist Group's to several storage facilities around Scandinavia. The purchase of the "TARNSUND" will be the second "new" ship to be added to Wrist Group's tanker fleet this autumn as a newbuilding for a German K/G will be delivered from Harlingen, The "OTILIA" (EX "TARNSUND") will be the largest tanker in the Wrist fleet, which consists of some 23 units including two newbuildings under construction.
