Rama 2 out of class at time of deadly sinking

Indian Register of Shipping chief says surveys of Abu Dhabi-controlled products tanker were overdue for months.

21 July 2017 11:44 GMT UPDATED 21 July 2017 11:47 GMT

By Eric Martin

An Abu Dhabi-controlled products tanker that sank off Yemen had been months overdue for required surveys at the time of the fatal incident, according to new information from classification society Indian Register of Shipping (IR Class).
