GENERAL VESSEL INFORMATION:

2013: **TORM A/S** says it has reached agreement on the sale of five MR product tankers to an unnamed company controlled by U.S. headquartered asset management firm **Oaktree Capital Management (Oaktree)**. The five vessels will be delivered to Oaktree during 2013, at which time it will place them under TORM's commercial management in a revenue sharing scheme. Although the vessels were not named by TORM, Tradewinds speculated the vessels were the 2010 built 52,000-dwt TORM ALICE, TORM ASLAUG AND TORM ALMENA, and the 2011 built **TORM AGNES** AND TORM AMALIE. It also put their approximate value at \$139 million.
